CALDRON

Here's a new word for youse . . ."

STUDENTS

A JC student takes advantage of the quiet and pleasant surroundings of the Union Room to study.

FACULTY

ACTIVITIES

Christmas just isn't Christmas without a tree — even if it has to be fireproofed.

DEDICATION

MISS HOLTON,

To you who have served us for so many years, we dedicate this annual.

You will be remembered by thousands of students who have benefited from your counsel and advice. The open door to your office has been the symbol of your ever ready service.

You were always willing to do anything you could to help all of us. By this dedication we express our appreciation.

Sincerely,
Students of T. J. C.

DR. J. D. LOGSDON

For the past four years, Thornton has been under the able supervision of Dr. J. D. Logsdon.

He received his B. Ed. at Illinois State Normal University, and at the University of Chicago he earned his M.A. and Ph.D. degrees.

T.J.C. can really be proud of Dr. Logsdon. Along with the many distinguished honors and credits he has received, he was recently elected President of the National Association of Secondary School Administrators.

LEE DULGAR

Perhaps the most familiar face around J. C. is that of our dean, Mr. Lee Dulgar. Besides his many administrative duties, Dean Dulgar always finds time for his students. He is always willing to help with those seemingly insurmountable problems.

Dean Dulgar earned his B. Ed. at Eastern Illinois State Teacher's College and his M. A. at Northwestern University.

TREASURER and ATTORNEY

MR. WALDSCHMIDT

Serving capably in the position of township treasurer is Mr. August Waldschmidt.

Mr. Waldschmidt handles all financial matters connected with the schools in Thornton Township. He has held this position for twenty-two years.

Row 1: Mrs. R. Pebworth, Mr. F. Ehlert, Mr. H. Gouwens, Mr. L. Boudreau.
Row 2: Mr. H. Vandenberg, Mr. R. Reese, Mr. H. Greiner.

BOARD OF EDUCATION

Students at Thornton are indebted to the Board of Education for the capacity they have demonstrated in carrying out the many duties and obligations which fall on them in their job of serving the High School and the Junior College.

MR. EVANS

Mr. Burton Evans serves Thornton Township in the capacity of school attorney, a position which he has held for the past twenty-one years.

Mr. Evans handles all legal matters concerning the schools in this district, including the legal matters for the new Thornridge High School in Dolton.

DORIS A. HALVERSON

J. C. students can be very proud of their excellent library, which is under the direction of Miss D. Halverson.

The library has grown until this year it was necessary to enlarge the stack room. J. C. students can be sure of finding something on almost any subject. Miss Halverson, who has worked with students for many years is well aware of their needs and is always ready to help.

Along with her duties as librarian, and despite the noise and confusion of the recent addition, Miss Halverson has found time to give her help to the Coed Club since its sponsor, Miss Holton, became ill.

She received her B. A. at Macalaster College and her B. L. S. at Drexel Institute.

JOHN A. PETERSON

In 1955, Mr. J. A. Peterson took over the position of business manager of Thornton Township High School and Junior College, succeeding Dr. Charles W. Foster.

The business matters here at Thornton constitute Mr. Peterson's duties along with the control of the Thornton High School Book Store.

Mr. Peterson received his B. A. at De Pauw University and M. S. at University of Indiana.

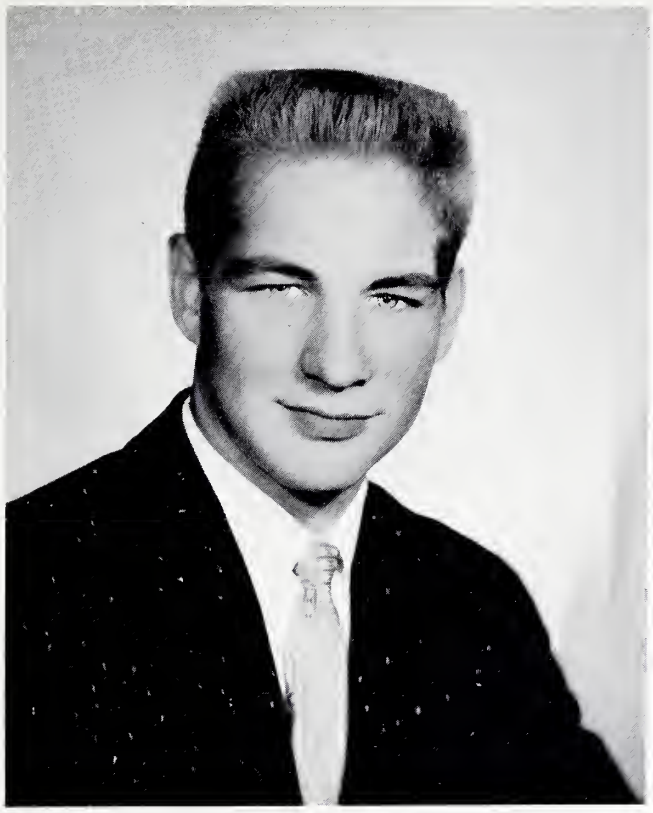
FAREWELL

MR. SPRAGUE

After sixteen years of teaching economics and accounting at Thornton Junior College, Mr. Sprague is retiring. He leaves us with many fond memories of his humor as he presented his fact filled lectures and thought-provoking tests. In hundreds of his students he has instilled an appreciation and knowledge of economics and accounting. We trust that he has enjoyed his tenure with us.

Mr. Sprague tells us of no immediate plans for the future. Our wish is that he may have many happy and healthful years of retirement.

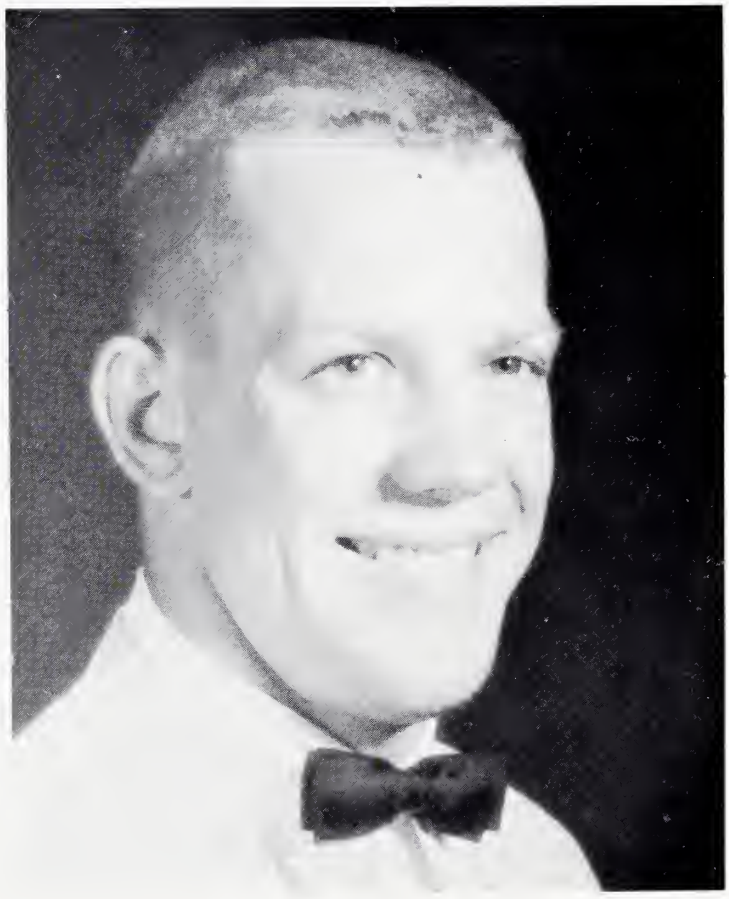
SOPHOMORES



PRESIDENT

Sophomore Class-President Robert "Jake" Williams is active not only in directing the Student Council, but also in athletics. He has been a member of the basketball, football, and baseball teams and also of the Letterman's Club for the past two years. A moment to remember was when he was elected to the Homecoming Court.

If you know Jake then you know, "You're so wise."



SECRETARY TREASURER

Sitting quietly jotting down notes and taking of the money is the Sophomore Class Secretary-Treasurer, Dave Hirtz. Dave is also active in sports. He has been on the basketball and baseball teams and also a member of the Letterman's Club for the past two years. In his freshman year Dave was president of **El Circulo Espanol,** better known as the Spanish Club.

FRESHMAN

The President of the Freshman Class is a popular redhead named Milt Marley. Besides his many duties in Student Government, Milt is very active in basketball and baseball. He is also on the Freshman Board of the Men's Club.

The Freshman Class Secretary-Treasurer is a perky Cheerleader named Donna Jessen. She is a graduate of TTHS, and is taking a Business-Secretarial Course here at JC. Donna's favorite hobbies are bowling and "Fred." When asked her favorite expression she smiled, blushed and said, "No, don't!"

CHEERLEADERS

At every JC game, the team can be sure of five spirited backers—our peppy Cheerleaders. They are in the freezing snow at the football games and in the hot gym during basketball games, cheering, cheering, cheering . . .

Even though a few accidents have held them back, they have continued their work and have gained the respect of all JC students. Adele Herdt, the captain, and Miss Glickstein, the faculty sponsor, have contributed to the making of one of the finest cheering squads JC has ever had.

STUDENT COUNCIL

The Student Council is the governing body of JC. Without it, the other organizations at JC would have a difficult time. One of the Council's main functions is to contribute its money to the treasurers of the other groups. It also supports the **COURIER and CALDRON.**

Without the expert help of Mrs. Fesler and Mr. Owens, the sponsors, the Student Council would find its operations very difficult to perform.

ΛE

MOTTO
"Lux Esto" — Let there be light.

The scholastic honor society at TJC is known as **Lambda Epsilon,** the Greek letters standing for the initials of the motto "Lux Esto," the first recorded words, "Let there be light." The purpose of the society, organized in 1939, is the encouragement of scholarship by giving recognition to those whose scholastic achievement is of a high order, and by bringing together those interested in scholarship so that each may profit by the fellowship of those having similar interests.

Membership in **Lambda Epsilon** is of two types. Active members are students who have earned 42 or more honor points during their first semester or an average of 37 or more honor points during two or three semesters. Alumni members are students who have graduated from TJC with an average of 37 or more honor points per semester.

CALDRON STAFF

Richard Karrels, Lillian Gorman, Maureen Sullivan, Linda Tanner, and Roger O'Conner.

This book and all the hard work that went into it reflect credit on the **CALDRON** staff. It takes more work than the average student realizes to put out an annual. It take the combined efforts of typists, designers, copy writers, photographers, and many others. We began the first week of school and finished (thanks to Mr. Swanberg, our sponsor) in March.

In 1946 JC printed its first yearbook, the **CROW'S NEST.** It was a symbol of the look-out on life as seen from the **COURIER-CALDRON** office. Then in 1951, the name was changed to **CALDRON,** to symbolize that college is a boiling down of ideas, theories, and principles.

COURIER REPORTERS

Putting out a newspaper is really hard work, just ask any one of the **Courier** staff members. Probably the most difficult job is finding news—interesting news. Once you have that, a little ingenuity is required to present it in a form that will attract the reader's attention. It takes lots of co-operation and steady nerves to meet all those deadlines. There are also many "behind the scenes" people who deserve some credit for the **Courier** being published.

A hearty thanks to Mr. Riley for all his help and support as the **Courier's** sponsor.

Does everyone look kind of sleepy? Well no wonder, it's only 8:00 in the morning. While the majority of JC students were on their way to classes, the COURIER staff meetings were well under way. It was an early hour, but that's all a part of putting out a newspaper.

MEN'S CLUB

Standing: Al Kooy, Rich Dennis, Milt Marley, Paul Lee. Seated: Jim Sanders, Jim Linse, Jim Bednar, Lou Hanacek.

This Year's round of Men's club activities has again succeeded in adding a little spice to the lives of TJC's hard working, serious minded men students.

This year in the Tower Room of the Sherry hotel, the club held the Sleighbell Ball which highlighted the 1960-61 winter season. Then on May 15, the men abandoned their girl friends to treat Mom to a Mother-Son banquet at Cavallini's Midlothian Restaurant.

Between times the men enjoyed such movies as **The Searchers, The D. I., Rebel Without a Cause** and **Don't Go Near the Water** at the club's smokers.

The officers heading this organization this year are Jim Linse, president; Al Kooy, vice-president; and Lou Hanacek, secretary-treasurer. The Club Board members are Milt Marley, Paul Lee, Rich Dennis, Jim Bednar, Jim Sanders, and Bill LaBuda. The sponsor for the Men's Club is Mr. Dale H. Helgesen.

COED CLUB

The COed Club of TJC is one of the most active organizations at JC. It is open to all the Women of the college, and is under the sponsorship of the Dean of Women.

The Club itself is divided into seven groups. Each month one of the sororities takes care of an activity: tea, dinner, or banquet. The annual Staggette is the occasion when they all work together to treat the boys to a "night on the town." Another big project for the Coed Club is running the Union Room kitchen. The girls really enjoy working, although there are "times."

The room next to the JC office is reserved for the girls. In the Coed Room they can take their shoes off, relax, and catch up on the latest news.

Santa Claus visited TJC this year in the person of Pat Tanner who took the place of the jolly, old Elf at the Coed Club's annual Christmas Dinner, presented this year by **Alpha** Sorority. Coeds and women faculty members dined on turkey and all the trimmings in the cafeteria. Charming carolers lit the flame of Christmas spirit with the old-fashioned Christmas tunes.

Under the direction of Sue Ross, the girls produced a flashback of Christmas in the 40's when we were young.

Judy Harris, Carol Van Kley, and Mary Lou Webb perform at **Alpha** Christmas Dinner.

FATHER-DAUGHTER DINNER

"My Heart Belongs to Daddy" provided the theme for the Coed Club Father-Daughter Dinner at Cavallini's on Valentine's Day. Pat Stover, leader of **Delta** sorority, welcomed Coeds and their dads to a delicious dinner of fried chicken and roast beef. The highlight of the evening was the Father of the Year Award to the father of Bonnie Grugett. The melodrama of the "Lights Went Out" was presented by a group of talented Coeds and their fathers. Everyone joined in to sing those old-fashioned tunes as the ending to a perfect evening.

CHORUS

The TJC chorus, under the direction of Mr. Lyle Hopkins, brings sweet sounds to us. Every Tuesday and Thursday they meet in room 147 to sing while Adele Herdt accompanies them at the piano.

This year at the Christmas Convocation the chorus presented a program with the Drama Club. Another program was presented during the spring.

Jerry Garber, as the voice of God, leads a group of drama club members in "Comfort Ye My People," the choral reading presented at the Christmas Convo. Talented TJC art students in cooperation with the stage crew, designed the beautiful stained-glass window in the background.

DRAMA CLUB

Although it is a relatively new organization, the TJC Drama Society is rapidly becoming a very important addition to the college's extra-curricular program. The credit for this goes to Mr. Richard Pick, faculty adviser, and the enthusiastic hard-working group of students who make up the society.

Something new at Thornton was introduced during the Christmas season this year when nine members of the society presented a choral reading for the Christmas Convocation.

Row I: Sherron McCoy, Kay DeYoung, Linda Tanner, Judy Gillies, Arleen Dekker, Norlaine Johnson.
Row II: Ron Heath, Joe Starkey, Jerry Garber, Bob Webster.

"A VISIT TO A SMALL PLANET"

The Drama Club's major production was their February presentation of Gore Vidal's "A Visit to a Small Planet." This timely and witty satirical play starred Jerry Garber, Bob Gadbois, Bob Webster, Gail Janus, Don Stankus, Norlaine Johnson, Skip Herr, Darlieth Griffin, and a very talented cat named Penny.

Due to the co-operation of everyone involved, "A Visit to a Small Planet" proved to be one of the most succcesful plays ever presented at TJC. The set was beautifully designed, and a close observation of it revealed many details the audience takes for granted. Another interesting extra provided was the use of hi-fidelity sound for a realistic touch.

TJC's academy award goes to all the students connected with the superb performance of "A Visit to a Small Planet."

These are the people behind the scenes whom no one sees, but without them the play would have lacked the beautiful sets, complete with porch and doorway.

Seated: Sharron O'Brien with Penny, a star of the play, Paul Menke, Mike Flick, Frank Gengler, Dave Kersten, Dick Major, Pete Milasus, and Ken Williams.

The Spanish Club has a new sponsor this year, Mr. Joseph Silva. The chief aim of this club is to promote an interest in the Spanish speaking world.

As in past years the Spanish Club provided the International Christmas Party with a **pinata.** This year's was a candy-filled Santa Claus. It really is a job to break one of these, especially if you are blindfolded.

The activities of the French Club, sponsored by Miss Florence Wunderlich, provide a variety of activities for its members to supplement class work. Singing seems to be the favorite of most.

At the annual International Christmas Party, the members of French 103 put on a puppet show: **Le Petit Chaperon Rouge**, or as we know it, **"Little Red Riding Hood."** Pere (Jim Naylor) Noel distributed the gifts. It has also been this club's tradition to provide the pastries for the party.

LANGUAGE LAB

A new modern addition to Thornton this year is the foreign language laboratory. This is a new concept used in teaching a language by which a student is able to hear the lesson through earphones in a sound proof booth which prevents the usual disturbances of a classroom. The student answers questions and repeats the lesson into the microphone, which is connected to the master-control handled by the instructor. This method of learning also allows each student to recite each time.

At the back of the lab there are booths fitted with tape recorders with which a student may record the whole lesson complete with his responses.

Jim Linse, above, is seated at the master controls seat, usually taken by an instructor. It is possible for a number of classes of different languages to use the lab at the same time because of the different channels that may be tuned into the booths. An instructor may tune in any booth at any time without the student's knowledge. This gives the instructor a basis for grading the individual's enunciation and pronunciation.

Every foreign language student here at TJC looks forward eagerly to that one special period each week in the lab. But it spreads even farther than that; many students now spend their free time in the lab repeating the tapes to increase their skill and understanding of either French, Spanish, or German.

BOWLING

Jim Naylor, Sharon Boyle, Joyce Zabello, Judy Masters

The TJC Bowling League was composed of 20 teams this year, a slight drop from last year. The two sections met every Wednesday at Coral Lanes to topple the pins. Jam Nayor was elected president at the Bowling Banquet last spring and was assisted by Judy Masters, vice-president. The loss of the originally elected secretary and treasurer created two vacancies, which were filled by Sharon Boyle and Joyce Zabello.

With the second semester came many changes. A great number of students dropped school. While we had more than enough men, there was a definite shortage of women bowlers. This caused some revision in the team set-ups.

In the Black Section, team 12, the Directionals, held a three-game lead at the end of the first semester, with a 33-15 mark. They were followed by the Bachelors, 30-18. The Pin Heads, Unpredictables, and Four Freshmen were in a close race for the last place trophy.

In the Orange Section, the Demons were on top with 35-13 at semester time, and were followed by the Bowl-Weevils, with 32½-15½. The Daiquiris, DoodleDeDoo's, and Unmentionables brought up the rear.

MIXER

What better way is there to start out the academic year than by meeting everyone! It has been a tradition at TJC for the first social event of the Fall semester to be a mixer for new and old students to get acquainted with each other. It sort of breaks the ice for everyone, and provides a relaxed atmosphere where it is much easier for students to meet each other.

This year many of TJC's alumni of '60 were present. It gave many of us a chance to see some familiar faces once more, and gave the alumni a chance to say a last "good-bye."

We danced to the really strumming music of the **Capitals** and had a few laughs at the entertainment which was under the direction of Donna Braswell and Lou Hanacek.

HOMECOMING

After a successful Bulldog victory over Wilson in the afternoon, TJC students entered the "Moonglow" setting of the 1960 Thornton Junior College Homecoming Dance. A sparkling fountain graced the middle of the dance floor, while park benches were placed conveniently at the side. Special lighting schemes provided by Bob Gadbois added to the romantic atmosphere.

Alumni, as well as students, danced to the dreamy music of Lane Emery.

The highlight of the evening was the coronation of the king and queen by last year's royalty, Sandy Lotz and Don Anderson. The long-awaited moment finally arrived when Lou Hanacek and Judy Masters were announced the King and Queen for 1960.

SLEIGHBELL BALL

December 17 was the date of the annual Sleighbell Ball, sponsored by TJC's Men's Club. The dance is usually held at a country club. The men decided it was time for a change. This year the Sherry Hotel was chosen for the Winter Ball.

Music was provided by the Belltone group, a six-man orchestra under the direction of Carl Godfried.

Everyone had a really good time, especially since the dance was extended until midnight.

STAGGETTE

Seated:

The Coeds chose **Le Clair de Lune** as the theme for their annual turnabout dance. In case you are not a French student, **Le Clair de Lune** stands for moonlight.

The Crystal Ballroom of the Del Prado Hotel set the scene for this festive affair. The mademoiselles and messieurs danced to the music of Paul Meeker.

This year a new tradition was begun with the Grand March led by Flora Gaskin, president of the Coed Club, and members of the Staggette Court. The highlight of the evening was the coronation of the Sweetheart and the Maid, chosen from the freshman members of the court by Audrey Antkovic, last year's sweetheart. Flora Gaskin acted as Mistress of Ceremonies.

VALENTINE DANCE

February 11th was the date for "Heart of My Heart," the TJC Valentine Dance sponsored by Student Council. The dance was held in the Heart Throb Room, better known as the Girl's Gym.

A huge Valentine heart fashioned from angel hair placed at the center of the room set the romantic mood. Tony Marterie, who has played for many of the largest universities, provided the really swingin' music. The band played requests, as well as new and old favorites.

Starry-eyed students showed the influence of Cupid's magic.

To bring the school year to a close, the last social event is the Spring Prom, sponsored by the Student Council.

Last year's **On the Town** was held in the Towne Room of the Knickerbocker Hotel on June 11.

This dance is the last one for the sophomores, and it is a very special way to end their two year stay.

The dreamy music was provided by Vic Faraci and his orchestra.

ATION

Please don't cry, because if you do, I will too and if I do . . . ohhh!!! Well, I suppose it happens to many sophomores each June at junior colleges. Even though we've been at TJC for only two years, these two years hold some of our fondest memories. Because TJC is not a large college, the atmosphere is one in which a person finds it quite easy to make many friends. You get to know each other so well, which only makes parting harder.

For some, TJC is the end of their formal education. For others, TJC leads the road to other colleges and universities. Yet, no matter where we go from here, we can always look at TJC and remember the things that meant so much to us. Commencement opens the door to the future, while closing the door to two years of study, fun, and friendship at TJC.

REVIEW

As usual this year our Bulldogs were TERRIFIC! Under the guidance of Coach Pete Schloss they fought hard and they fought hard to win. With each successive game, the team gained valuable experience and confidence in themselves.

This year our boys racked up a wonderful 7-1 overall record. Recognition of our prowess came when our team was under consideration for an invitation to the Junior College Bowl Game.

Many, many records were broken this year by some of our fine gridders: Jim Bednar, Owen Dejanovich, Bart Pettice, Leroy Coxen, and Paul Nees.

Keep up the good work fellows. We'll be watching for you next year.

REVIEW

Again this year, as last, the basketball squad was greatly handicapped by a lack of height. Our average height was under 6 feet.

While we couldn't count on height, one thing we could count on was the fight of the squad. Whatever the boys lacked in stature of body was made up for in stature of spirit.

The games that were lost by only a few points really hurt, but the squad always worked hard and did the best they could.

REVIEW

Our "national pastime" is also played at T.J.C. with fine results. Last season we had a perfect record, with a total of 143 runs to a total of 23 for all our opponents. Much of the credit for our fine record goes to Coach Don McAlvey and Captain Carlos Medrano.

Our team members for the 1960 season were Jim Bednar, Jim Caton, Allen Cooper, Dave Erickson, Cecil Ewell, Jim Fletcher, Ted Grybkowski, Dave Hirtz, Fred Mascitti, Gary Mehok, Jerry Rutkowski, Marty Shipe, Jim Wayne, Ed Wendling.

If you missed any of the games, you really missed some exciting moments, like the game that Carlos Medrano pitched after breaking both of his hands.

GOLF

REVIEW

If Eisenhower can do it, so can T.J.C.! Seriously we do have a terrific golf squad. This year's members were Bruce Voss, Robert Bella, Phil Zack, and Syl Poremba. Mr. Anderson again coached the boys to their victory.

TRACK

REVIEW

The most underrated, and undersupported team at T.J.C. in our humble opinion is the track team. Most people don't even know it exists. WELL, for your information, it does exist! It not only exists, but it works very hard upholding our honor.

The team is coached by Mr. Schloss. The team members from last season were Andy Lawrence, John Lau, Bob Hurckes, Al Denzy, Jim Morley, Lou Hanacek, Rich Pagoria, Ron Rivers, Dave Palmer, Ron Dobkowski, Chuck Heist, and Walter Spangler.

These boys really worked hard; so next year let's all make an effort to get out and support the smaller teams.

SWIM

REVIEW

1961 was the year that saw the formation of a new team, a swim team. This was something new for Thornton J.C. and it is something that we all hope will be continued.

The team members, Tom Brougham, Jim Hansen, Bob Kissler, Bob Knitter, Eric Oberg, Paul Oberg, Dick Sella, and Ron Walters, coached by Mr. Schloss, came in third in their first and only meet. This was the Conference meet. We are all very proud of them.

TENNIS

REVIEW

Another of the unrecognized teams at T.J.C. is the Tennis Team. Last season we had a fine 4-1 record and won second place in the Conference Meet. In that Conference Meet, Richard Hegarty came in second in singles. Just think, all that work and glory for "good old Thornton" and few people even know there is a tennis team.

The 1960 tennis team was made up of Richard Hegarty, Larry Stone, Dale Vraney, and Jim Walenga. The captain was Ken Cherry and coaching the team was Mr. Bob Anderson. We hope to see as fine a record from the team this year.

GYM JAM

You name the sport, and you can be fairly sure someone will be playing it at the Gym Jam. The ping pong games are really a challenge—that is, if you can keep the ball on the table. Volley ball is the favorite of all. I know a few boys who would like to teach a few girls HOW to play. Basketball is the man's sport here. The trampoline runs close to the top among the favorites for people who like to . . . jump. Then there is a miniature golf green and badminton sometimes, and that all-time splashing sport called swimming.

The members of the Student Council deserve all the credit for their persistent efforts in providing T.J.C. students with these Gym Jams.

BOULDERINO

The Boulderino is an annual event which is held in the spring. It is one of the last events of the year. The highlight of the day is a tug of war at Thornton Woods between the freshman and sophomore classes. Each class with its president leading them, stations itself on one side of the creek. The war is on! Last year, because of their great number, the freshman class won. You never saw so many wet and muddy people. The above picture shows you what a few of the winners looked like. Can't you just see the losers!

In Memoriam

MISS GRACE HOLTON
MAY 6, 1897 — MARCH 16, 1961

Miss Grace Holton was born in Durham, North Carolina, on May 6, 1897. She was educated at Duke University, where she earned the Bachelor of Arts and the Master of Arts degrees. She engaged in further studies at the University of Pennsylvania and the University of Chicago.

After teaching in various high schools and in Davenport College in North Carolina, Miss Holton joined the Thornton High School staff in September, 1928. In 1943 she became a member of the Junior College faculty, and in 1949 she was appointed dean of women, a position which she occupied at the time of her death.

Faculty and Students of Thornton Junior College feel the void caused by the recent passing of Miss Grace Holton, Dean of Women. Miss Holton's association with the college extends back to 1943, at which time she became a teacher of English composition. In 1949 she became Dean of Women in the college, assuming at the same time the many advisory functions of that position. As counselor, teacher, and adviser to students, Miss Holton carried on her duties through the years. Always she emphasized intellectual honesty, a sense of individual responsibility, and high standards of scholarship. Our finest tribute would be the continued recognition of the goals for which she worked so diligently.

—The Faculty

Each Thornton Junior College student seems to be experiencing a certain feeling of loneliness, of loss, as he looks into the office of the dean of women and sees only the vacant chair and the empty desk. A reassuring voice no longer bids a worried student to come in and "talk things over." A helping hand no longer reaches out to fill in a program of courses. Sparkling eyes no longer show their interest in the most recent activities of the Coed Club. No longer does a glowing smile encourage the student who has received that cherished acceptance to a senior college.

The office of the dean of women may soon be filled, the chair behind the desk occupied, but the ambitions Miss Holton inspired in the hearts of her students will remain a lasting tribute to her memory.

On their way to move men, merchandise—or mountains

For a nation on wheels and on the wing—a production run of forged crankshafts and jet engine compressor wheels for the builders of power-plants for pleasure cars, trucks, earth-moving equipment, and aircraft.

In missile development, too, Wyman-Gordon has proved the value of forging in achieving the highest strength-weight ratios, at elevated temperatures.

With forging experience dating prior to the birth of the internal combustion engine; with the greatest hammer and press capacity in the country; with unexcelled laboratory facilities; Wyman-Gordon is anxious to serve you at the design, engineering and purchasing stages of your developments.
